

# CITIZEN'S CHARTER

as of January 2015

# University of the Philippines Open University

## I. Vision Statement

The UP Open University shall be at the forefront of the knowledge society as a leading institution of open learning and distance education.

## II. Mission Statement

The U.P. Open University seeks to provide wider access to quality higher education. It shall adhere to the highest standards of academic excellence, guarantee academic freedom, and encourage social responsibility and nationalistic commitment among its faculty, staff and students.

## III. Value Statements

- **Excellence** - UPOU is committed to academic excellence
- **Equity** - UPOU is for academic freedom; UPOU is for the people and about people having wider access to quality education
- **Efficiency** – UPOU is responsive to the changing times
- **Humanism** – UPOU is committed to contributing to the uplifting of the quality of tertiary education in the country

#### **IV. Strategic Objectives**

- To provide opportunities for alternative access to quality higher education by offering baccalaureate and post-baccalaureate degree programs and non-formal courses by distance education.
- To develop a system of continuing education for sustaining professional growth and improving technical skills especially for those who cannot leave their jobs or homes for full-time studies; and
- To contribute towards upgrading the quality of residential instruction in the University and the educational system of the country, in general, by developing, testing and utilizing innovative instructional materials and technology, and sharing these with other colleges and universities through cooperative programs.
