

UP Open University • Faculty of Education **DIPLOMA IN MATHEMATICS TEACHING**

The Diploma in Mathematics Teaching (DMT) program aims to upgrade the mathematics and pedagogical competencies of mathematics teachers in the secondary schools, as well as those engaged in the mathematics curriculum and materials development.

Course Objectives

The program aims to:

- Provide students with knowledge that will enable them to teach mathematics competently;
- Help students develop and/or improve their skills in mathematics teaching; and
- Help students appreciate the cultural significance of mathematics and its relation to social conditions.

Mode of Instruction

All courses are taught online following the principles of guided independent study and collaborative inquiry.

Admission Procedures

Step 1: Apply for admission and upload the admission requirements through the Online Application System. Monitor the progress of your application through the OAS.

Step 2: As soon as the online application is accomplished, mail the complete and valid admission documents to the address below:

The Admission Section
Office of the University Registrar
UP Open University
Los Baños, Laguna 4031
Philippines

Refer to the UPOU Academic Calendar for the deadline for submission of application documents.

Step 3: Complete the DE Readiness Module (DERM).
The link to the DERM will be emailed by admissions.

Step 4: Wait for an email from the OUR for the admission results. Results of the evaluation will be released after the evaluation of the respective Admissions Committee and before the registration/enrollment period of the applied term.
