Flexible Programs**

About **UPOU**

Established on 23 February 1995, the University of the Philippines Open University (UPOU) pioneered in online teaching and learning and continues to play a leading role in the study and practice of open learning and distance education in the Philippines.

UPOU is envisioned as a leader in teaching and learning in the digital age, helping to equip Filipinos with the knowledge and skills they need for life and work in the 21st century.
